# THE NARROWS STORY

The story of “The Narrows” begins with our original innkeeper, Isobel MacAulay. Having grown up in Estmere, Cape Breton, she held a special place in her heart for the nearby community of Little Narrows (affectionately known as the Narrows). The Narrows was a place she always enjoyed visiting. Whether to meet a friend or a cup of tea or just go for a drive and reminisce, her visit to The Narrows was a much anticipated event.

As a tribute to her love of The Narrows, we aim to create a place that our guests always enjoy coming to. Come for a bite of food. Come to visit with a friend. Come to enjoy some music. Come for the feeling of welcome that Isobel experienced at The Narrows.
